ELECTRIC LOVE: YOGA, MUSIC & ART CHARITY EVENT TO BENEFIT PALLIATIVE & SUPPORTIVE CARE OF NANTUCKET

Nantucket, MA - Yoga teacher Caitlin Marcoux, local DJ Pete Ahern, Brooklyn artist Craig Anthony Miller and special guest Clay Twombly team up to offer Nantucket yoga students an evening of visual and auditory inspiration sponsored by the Dreamland Film & Performing Arts Center and Verde Nantucket Green Build. This 2 hour yoga and meditation practice will feature live music by Ahern, yoga lead by Marcoux, virtual streaming of impromptu graffiti art created by Miller specifically for the event and a meditation lead by Twombly.

Marcoux, who was diagnosed with breast cancer last March, is extremely excited to give back in this way to PASCON, where she has attended monthly cancer support groups and received individual counseling. All four artists have been affected by cancer on a personal level and feel passionately about supporting organizations such as PASCON who exemplify what it means to be an integral part of a loving community.

The event will be hosted by the Dreamland in their Studio Theatre and will run from 6-8pm on Thursday, March 27th, 2014. Tickets should be purchased at www.caitlinmarcoux.net 100% of the profits will be given to PASCON.

Palliative & Supportive Care of Nantucket is a specialized health care program dedicated to providing excellent physical, psychological, social, and spiritual care for persons with life-threatening illness and their families.

###

[Palliative & Supportive Care of Nantucket Foundation](http://www.pascon.org) is a non-profit organization dedicated to supporting and funding palliative and supportive care services for the benefit of the Nantucket community and to increasing awareness and providing community education and outreach about palliative and supportive care. Through a unique collaboration with the Nantucket Cottage Hospital, the program is operated as a department of the Nantucket Cottage Hospital while all funding for the program comes from the Foundation.
